Brief Description Of Services : "Inspired by the neighboring Lasting Legacy Park and with an emphasis on living — The Legacy Living and Rehabilitation Center offers both long term care and short term rehabilitation in Gillette, Wyoming. Committed to providing dignified care and purposeful living, The Legacy was built with the residents and their families in mind. The Legacy is a part of the Campbell County Health's system of care facilities and licensed by the state of Wyoming. The facility is certified to accept private pay, Medicare, Medicaid and Veteran's Administration Contract residents."
