Helping People Help Themselves”

CCS is a Community Action Agency, providing eleven programs to assist low-income in Campbell County for over 50 years:

Food pantry – A client choice food pantry, where qualified low-income individuals and families can supplement their grocery budget with once a month grocery pickup.

Housing: Three different levels of housing – An Emergency Homeless Shelter, Permanent Supportive Housing for Families working with DFS, and Permanent Supportive Housing for chronically homeless adults.

Soup Kitchen - a daily, nutritional, noontime meal served daily except 4th of July.

Second's on the Avenue - a thrift store selling clothing, household items, and furniture. Second's also provides vouchers to low income qualified individuals and families to receive clothing, furniture, and necessary household items.

The Greenhouse – A 24 hour group home for adults with Severe and Persistent Mental Illness.

Emergency Medical/Dental assistance - For individuals who qualify, assistance is available for help with prescription medications, eyeglasses, tooth extractions, and more.

Weatherization - Our services help the most vulnerable members of our population save money on their energy bills and in turn, take a large burden off already struggling households by making their homes more energy efficient and safe.

Seconds on the Avenue is a community thrift store and voucher program owned and operated by the Council of Community Services. Our store has many brand name and new items at extremely low prices. We sell women's, men's and children's clothing, as well as furniture, household items, and various other goods. Seconds on the Avenue also offers a voucher program to serve qualified individuals and families in need of clothing, winter wear, furniture, and household items. This program also helps individuals with professional clothing to help them apply for employment or continue to be successful in their jobs.
