

## Campbell County

**Name Of Organization :** CCH Behavioral Health Services

**Phone No :** 307-688-5001

**Email :** Tisha.McIntosh@cchwyo.org

**Address :** Campbell County Memorial Hospital, 501 S. Burma Avenue, Fifth Floor

**Brief Description Of Services :** "Campbell County Health Behavioral Health Services provides the Northeastern Wyoming community with compassionate, confidential and comprehensive treatment and counseling of behavioral disorders, mental illness and substance abuse treatment following detox. At BHS, treatment begins with an initial screening. Then our professionals work together with the patient to schedule an appointment and proceed to create an individualized treatment plan. This process may or may not include a provider for a prescription medication. This treatment plan could include group therapy, education and other community-based support options. For patients who may be experiencing severe episodes of mental illness, CCH offers an eight-bed inpatient adult and adolescent unit to provide monitored care. We can treat: • Anxiety • Depression • Substance Use • Suicidal thoughts and actions • Threats and plans to harm others • Self-harming behaviors • ADHD / ADD - without medications • Oppositional defiant disorder • Bipolar disorder • Schizophrenia • Other behavioral disorders Treatment can include: • Comprehensive evaluations • Group, family and individual therapy • Case management • Coping skills • Medication management • Discharge planning Behavioral Health Services offers a the following counseling and mental health services below: • 24/7 Crisis Services • Addiction Severity Index Assessment (ASI) and Substance Abuse Assessment • Adult, Child and Adolescent Psychological Assessments • Case Management / social work • Counselors for couples, family and individual counseling • Inpatient Treatment: 8-bed adult and adolescent (13 years old and above) • Intensive Outpatient Program (IOP) Relapse Prevention • Medication Management • Psychiatric Evaluation • School-Based Counseling available with the CCMG Kid Clinic • Sex Offender Assessments • Suicide Prevention • Tele-psychiatry • Fast referral with Campbell County Medical Group Clinics and Campbell County Memorial Hospital services For all services, clients are seen on a first come, first served basis and are charged on a sliding fee scale — proof of income is required. Many types of insurance accepted, including Medicaid and Medicare."
