Address : Campbell County Memorial Hospital, 501 S. Burma Avenue, Third Floor

Brief Description Of Services : "If you have heart issues or a family history of heart disease, we have good news: Cardiology is part of the services full-time in Gillette, Wyoming. CCH Among Nation's Top Performing Health Care Organizations for Treatment of Heart Attack Patients Our highly skilled, board certified cardiologists at the Campbell County Medical Group Cardiovascular Services clinic are here at all times to care for patients and our cardiac cath lab allows us to provide care quickly during an emergency. And, we can help get you back to your daily routine after a heart incident with our Cardiac Rehabilitation program. Our cardiologists use these and other tools to diagnose and treat heart problems as the first cardiologists living and working in Gillette. The cardiac care team includes our physicians, registered nurses in the Clinic, as well as a team of registered nurses and technicians in the Cardiac Cath Lab and Cardiac Rehabilitation."
